

# Fund Moïse and Paul Blaimont

managed by the King Baudouin Foundation

## CANDIDATES APPLICATION FORM

### 1. Project information

This is an important document which should **not be longer than 5 pages**. Please list the following information in a clear and identifiable manner.

#### Title of the project

The title of the project should be succinct (**no more than 2 lines**) and should accurately reflect the content of the project.

#### Scientific abstract (1/2 A4 page maximum)

This should be a maximum of 1 A4 and provide a succinct summary of the project proposal.

#### Lay summary (½ A4 page maximum)

Do not use your scientific abstract. The text must be popularized so as to be easily understandable for a non-medical audience.

#### Project description

- Objectives (primary and secondary aims)
- Methodology
- Project plan & various steps
- Milestones and expected outcomes

#### Scientific rationale and added value to existing knowledge

#### Specific questions for clinical research

- Does the research project respond to an identified need in patients/caregivers/society? Explain.
- Potential impact of the results on diagnosis, treatment, quality of care or quality of life for patients.

managed by the King Baudouin Foundation

## 2. Budget

max 2 pages (A4 format)

*The King Baudouin Foundation does not accept that any overhead is taken on grants under € 25.000.*

**Please provide a detailed budget outline split up in the following categories:**

**Please note that the major part of the requested budget has to be used for research purposes and not to finance structural personnel or functioning costs.**

- 1) Operational costs** (provide details about different cost items to make clear how you will use the budget. Such cost items can include publication and travel costs. Take into account that a detailed budget is much easier to evaluate than requests for lump sums).
- 2) Other costs** associated with the project.
- 3) Any available funding for the project** (having funds available is not considered a negative point in the evaluation!). If you receive any commercial or other sponsoring related to this research project, or to consumables, materials or products that will be used in this project, please mention here the type and the amount of the sponsoring(s).
